

Heat: PRE- Reflection Activity

Name: _____

1. Patrick comes indoors and puts his snowy boots down on the ground. A few minutes later there is no more snow on the boots, and there is a puddle of water on the ground.

Where did the energy to melt the snow come from?

Use complete sentences to explain where the energy to melt the snow comes from, and draw a picture to illustrate your explanation.

Gameplay Exit Ticket – Heat

Name: _____

Please answer the following questions about your experience playing the on-line game today. (Circle one response for each statement.)

	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
I was so involved in the game that I lost track of time.	1	2	3	4	5
The gaming experience was fun.	1	2	3	4	5
I felt frustrated while playing the game.	1	2	3	4	5
The gaming experience was challenging	1	2	3	4	5
I could not do some of the things I needed to do in the game.	1	2	3	4	5

Please answer the following questions in complete sentences.

1. What was the goal of the game? (What was the problem that was going to stop the “Galactic Zoo’s Creature Fest” from opening? How did the Zoo Keeper try to solve the problem?)

2. What are some of the things you had to do to hatch the eggs?

Heat: POST- Reflection Activity

Name: _____

1. Patrick comes indoors and puts his snowy boots down on the ground. A few minutes later there is no more snow on the boots, and there is a puddle of water on the ground.

Where did the energy to melt the snow come from?

Use complete sentences to explain where the energy to melt the snow comes from, and draw a picture to illustrate your explanation.

2. Think back to the computer game you played a few days ago. **Write down two examples** of things that happened, or things you saw, in the game you played that are similar to the situation you just explained above. Draw a picture too if that will help communicate your idea.
