

Name: _____

Teacher: _____

Photosynthesis: PRE- Reflection Activity

1. A small plant is growing in a very shady area. It does not look very healthy. One day the trees that shaded the plant are cut down. Soon the plant begins to look much more healthy.

Why is the plant more healthy when it is exposed to more of the sun's energy?

Use complete sentences to explain why the plant is more healthy, and draw a picture to illustrate your explanation.

**Gameplay Exit Ticket - Photosynthesis**
